<https://learn.pitiviti.org/247>

COURSE DESCRIPTION

Understand the full grants management process, the current regulatory requirements governing grants, and the role of auditors in developing strategies for assessing compliance and performance. Develop audit objectives and procedures to identify issues and recommendations for constructive feedback, corrective action, and accountability. Learn the stages of effective grants management from award, monitoring, audit, and close-out. Practice strategies for auditing, applying cost principles performance measurement, and reporting through each grant stage by using those strategies in case studies.

WHAT YOU WILL LEARN:

Learning Outcomes:

- Explain the full grants management process and current regulatory requirements governing grants
- Identify the role of auditors in providing guidance and feedback to grant managers
- Describe the role of auditors in providing audit recommendations, assistance, and other constructive feedback to grant managers
- Identify options for audit objectives and procedures that are achievable and will provide timely, useful information
- Identify issues beyond compliance that need to be audited

WHO SHOULD ATTEND

Island government accountability professionals. Audit, budget, finance, accounting, and related management and staff members will find interest and value in this presentation.

TUITION FEES

With funding support from the United States Department of the Interior, Office of Insular Affairs, courses are available free of charge for government accountability professionals within the insular areas. The course fee is waived and there is no cost to register and attend. Professionals who do not meet the above criteria, please contact info@pitiviti.org.

June 25 - 27, 2024

June 24 - 26, 2024

*American Samoa, Hawaii,
U.S. Virgin Islands*

INSTRUCTOR

David Rykken

David Rykken has more than 25 years of experience in public service working with all levels of government. He has worked for HHS at headquarters in DC for the last 15 years as a Supervisory Management Analyst, a Senior Emergency Management Specialist, and a Supervisory Public Health Advisor.

Prior to working for HHS, David was the Chief of the Ancillary Services in the Republic of Palau. In addition to his experience in health care administration, he has spent several years doing overseas development work in African and Asian countries and has taught business and English courses in Indonesia, Thailand and Turkey.

David has a Postgraduate Diploma in Public Health Leadership and Management from the Fiji School of Medicine, an MPH in Policy and Administration from the University of North Carolina and a Diploma from the United States Naval War College as well as a BA from St. Olaf College and a teaching certification in ESL.

David has organized and conducted HSEEP, NIMS, OSHA, Hazmat, Grants Management, First Responder, Communications and other competency-based trainings. He has taught all of the Graduate School courses that lead to the Certificate in Grants Management and stays current on issues related to oversight and monitoring of contracts and grants.
