

# Introduction to Financial Management

 3 day Virtual Course

## COURSE DESCRIPTION

This 3-day virtual course addresses managerial controls in the government's financial management system. The budget process and related budgetary controls will be reviewed as well as their incorporation into the governmental information systems. Financial and performance management tools and measures that enable governments to monitor progress toward and to achieve their goals and objectives will also be explored.

The structure of this course calls for 3 3-hour virtual sessions over the course of a week.

## WHAT YOU WILL LEARN

After successful completion of this course, participants will be able to:

- Understand the government's budget process and the control functions involved in that process.
- Identify the linkage between budgetary controls and the financial management system.
- Recognize key financial and other measures utilized in performance management.
- Discuss and use techniques to better manage and lead your team

## WHO SHOULD ATTEND

Financial reporting and accounting personnel from governmental departments, agencies, and component units. Auditors

## TUITION FEES

With funding support from the Project to Strengthen Budget Execution and Financial Reporting Systems (PFM) courses are available free of charge for RMI government PFM professionals. The course fee is waived and there is no cost to register and attend. Professionals who do not meet the above criteria, please contact [info@pitiviti.org](mailto:info@pitiviti.org).

## INSTRUCTOR

### Jeanne H. Yamamura

CPA, MIM, PHD

Dr. Yamamura brings more than thirty years of experience in industry and academia to her training activities. She is licensed as a CPA in California and Nevada. She began as an auditor with Peat, Marwick, Mitchell & Co. (now KPMG) in San Francisco, California, and moved on to work as an Audit Manager for Touche Ross & Co. in the Commonwealth of the N. Marianas. She provided internal audit services for county government and for an international financial services company. She has also worked in a variety of positions ranging from Assistant Controller to Vice President of Finance in the savings and loan industry. Following the completion of her doctoral studies at WSU, Dr. Yamamura taught accounting information systems and auditing at the University of Nevada Reno (UNR). In 2005, she served as Chairman of the Nevada Society of CPAs, the first academic to hold the position in the organization's 58-year history. In recent years, she has been providing training to island governments throughout Micronesia and the Virgin Islands, teaching students in a sustainable MBA program, and developing content for online MBA programs. She has written articles appearing in the Journal of Accountancy, the CPA Journal, and the Internal Auditor as well as numerous academic journals. Her research focuses on the management of professionals and includes examination of factors impacting ethical judgments as well as the impact of cultural differences. Dr. Yamamura received a Master of International Management from Thunderbird, American Graduate School of International Management in Glendale, Arizona, and a Ph.D. in Business Administration – Accounting from Washington State University in Pullman, Washington.
