

Planning, Budgeting and Performance Measurement

 5 day Virtual Course

COURSE DESCRIPTION

Examine the relationship between performance measurement, strategic and annual planning, performance budgeting and performance reviews. Understand how performance measurement can improve planning and decision-making, resulting in government services that are more responsive, efficient and effective. Learn how to comply with the requirements of the Government Performance and Results Act (GPRA), the GPRA Modernization Act, and Part 6 of OMB Circular No. A-11. Become familiar with the concepts and terminology used in performance measurement.

WHAT YOU WILL LEARN

Learning outcomes include:

- Differentiate between mission, goals, objectives, outcomes, outputs, inputs, performance indicators and performance targets
- Develop appropriate indicators and targets for measuring program performance
- Describe the requirements for strategic plans, annual performance plans, performance reviews and annual program performance reports
- Describe the process involved in the development of a performance-based budgeting and measurement system
